

AUTOMATIC PAYMENT CHANGE REQUEST

Do you make automatic payments from your checking account?

Perhaps to a utility, life insurance company or health club? If you do, you'll want to notify these organizations to begin deducting the payments from your new BVFCU checking account.

Complete the form(s) below, detach and mail along with a voided check or voided deposit slip from your Beaver Valley FCU checking account, to the appropriate companies or organizations you have authorized to make withdrawals from your account.

While most companies accept this form, there may be some that require you to complete their own change request form. You may prefer to mail this form in the envelope provided with your monthly statement.
