

DIRECT DEPOSIT CHANGE REQUEST

Do you receive direct deposits into your checking/savings account?

Perhaps from your employer, pension plan or health insurance? If you do, you'll want to notify these organizations to begin depositing the payments into your new BVFCU checking or savings account.

Complete the form(s) below, detach and mail to the companies or agencies you have authorized to make electronic deposits to your account.

While most companies accept this form, there may be some that require you to complete their own change request form. **If you need additional information, contact our EFT specialists at 724-847-3600.**
